

Trained by the people that are winning the awards!

Our trainers are running accounts... and they're running them very well!

They're in the platforms daily and have relevant experiences and up-to-date knowledge to share.

This is Nicole.

Nicole has a wealth of technical expertise in CRO. She knows Adobe Target like the back of her hand and loves applying best practices across some of our most technical accounts.

Typical Training Content

Learn the best practices of website testing and personalisation using Adobe Target. This session will run through the core concepts and workflows for you to be able to use the tool with confidence, focusing on types of Activities, the Visual Experience Composer, Targeting, Goals & Settings, QA, and Reporting in Target / A4T.

- ▲ Intro to Adobe Target
- ▲ Interface & Core Concepts
- ▲ Experience Cloud Integrations
- ▲ Activity Types: AB, XT, Automated Personalisation, MVT, Recommendations
- ▲ Visual Experience Composer
- ▲ Previewing and QA
- ▲ Publishing
- ▲ Reporting Interface

Our office is 10-minute walk from **London Bridge and Tower Hill**. All training rooms are very well equipped and comfortable.

We will structure the day around you and your team. Most sessions are a full day from **10am and 4pm** with lots of breaks along the way.

Feel at home in our client kitchen area with as much coffee, tea or squash as you fancy. For all-day sessions, **lunch will be provided** along with ample fruit and biscuit snacks.
